DAY 1

Siem Reap

Meet your local guide at the airport upon arrival and transfer to your hotel. The rest of the day is free to explore the town on your own.

In the afternoon visit APOPO Hero's Rat Visiting Centre – 1hr (JOIN IN)

A guided tour through the Visitor Center gives you the chance to discover the history of conflict in Cambodia, the impact of landmines on local communities, and to meet and see the HeroRATs in action.

You will experience the realities of humanitarian demining and how APOPO trains their rats to save lives. It is a truly fascinating and different kind of tourist attraction, but one you are bound to enjoy. You will learn about landmines, how APOPO clears them, and see a live demo of the HeroRATs at work on a simulated minefield. Learn about how Cambodia became one of the most mine-affected countries in the world and what APOPO and its partners are doing to make it safe for the population.

See a live APOPO HeroRAT in action at the demonstration area where the HeroRATs sniff out buried items and scratch at the surface to indicate they have found something. Then they receive a tasty treat from their trainers as a reward.

DAY 2

Siem Reap

Today, after breakfast at your hotel, you start by local remork (Tuk Tuk) to reach the temple area of Angkor. Your visit will include many of the finest Temples of King Jayavarman VII. At the southern gate of Angkor Thom, you will marvel at the imposing 23m high stone faces of Avalokiteshvara, featured in the Tomb Raider movie. These astonishing carvings inspire awe and wonder in all who view them. At the centre of this citadel lies the state temple of Bayon, which you will also visit. This temple-mountain, built at the end of the 12th century, is adorned with hundreds of gigantic stone faces.

Later in the day you will discover one of the most famous temples - Ta Prohm. It is a truly unique temple due to the massive trees with thick roots that entangle the walls.

End temple sightseeing tour today at the magnificent Angkor Wat till late afternoon. Angkor Wat, which literally means 'City Temple', is a Hindu temple complex built to replicate the heavens on earth. The temple is the epitome of the high classical style of Khmer architecture. This magnificent temple combines two basic plans of Khmer temple architecture; the temple mountain and the later galleried temple, based on early South Indian Hindu architecture.

In the evening you will enjoy a show at Phare, the Cambodian Circus Show. Uniquely Cambodian, and daringly modern Siem Reap's most unique, authentic, top rated evening entertainment. More than just a circus, Phare performers use theater, music, dance and modern circus arts to tell uniquely Cambodian stories; historical, folk and modern. The young circus artists will astonish you with their energy, emotion, enthusiasm and talent (there are NO animal performances at Phare Circus).

You will take the small boat through the flooded mangrove forests; this unique ecosystem survives on wet soil for half the year, fostering a variety of wildlife. Return by boat and vehicle to Siem Reap.

Note: the visit of Kampong Phluk Floating Village depends on the actual water level during the time of visit and might be replaced with an alternative Floating Village or an alternative activity should the water levels of the Tonle Sap Lake not permit such a tour.
